Could you have a rare coin in your pocket right now?

Rare dates to look out for :

You need to look for the date 2008 on the Britannia as it has a low mintage of 3,500,000. It sells on eBay for an average of £1.39.

You need to look for the dates 2009, '10, '11, '16 and '18 on the Shield, since they were NIFC (Not intended for circulation, only put into sets).

You also must look for the 2017 shield 50p, since it has a low mintage of just 1,800,000, making it the 5th rarest 50p, not including the Olympic set. This sells on eBay for an average of £1.95.
